Forecast For East of England
Issued by Met Office Exeter
at 0400 on Monday 14 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and very warm with sunshine.

Today:
Fine and dry to start this morning, with lengthy periods of sunshine. Becoming more cloudy from late morning, but still with some sunny spells. Feeling very warm or hot in light winds. Maximum temperature 28 deg C (82 deg F).

Tonight:
Dry overnight but often cloudy, with just a few clear periods. This will allow temperatures to stay mild, so feeling warm and humid overnight, especially in southeastern parts. Minimum temperature 13 deg C (55 deg F).

Tuesday:
Any early cloud will clear during the morning to leave another dry and fine day with lengthy sunny spells. Still warm, but cooler than Monday. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Sunny to start Wednesday, but becoming cloudy during the afternoon. Showers spreading north later, perhaps heavy and thundery. These continuing through Thursday and Friday morning, gradually easing later. Very warm.
